GENERAL LIABILITY

General liability insurance is coverage that can protect you from a variety of claims that could arise from your business operations. These could be in respect of bodily injury, personal injury or property damage. If your business is found legally liable in respect of this sort of claim, the loss could harm your business and damage its finances and reputation. We're able to provide tailored cover to meet the needs of our individual clients:

- General liability
- Third party liability
- Employer liability

CONTRACTUAL LIABILITY FOR SECURITY GUARDS

We also offer a specific product tailored for surveillance companies. It provides protection in the event of claims related to their third party liability and employer's liability exposure but also to the contractual liability of the security guards in service.
